## Southern Folger Company Newsletter

### **Southern Folger Employees: Thank You for all that you do!**

Last month, Southern Folger proudly celebrated Employee Appreciation Month—a time dedicated to recognizing the hard work, dedication, and commitment of our incredible team. Throughout the month, employees were treated to a variety of special snacks and surprises in the break areas, including fruit cups, ice cream, and plenty of sweet treats to brighten their day.

One of the highlights was a delicious lunch from Jersey Mike's, giving everyone a chance to take a well-deserved break, share a meal, and enjoy some time together. These small tokens of appreciation were just one way Southern Folger expressed gratitude for the effort our employees put in every single day.

Employee Appreciation Month is more than just treats—it's a reminder that our success is built on the teamwork, dedication, and passion of our people. We're grateful for everything our employees do and look forward to finding new ways to celebrate them throughout the year!

### **A Safety Tip**

Safety is no joke,  
Do the right thing even when no one is looking.

**From John Legros Director of Safety**

### **Remember to Stay Hydrated!**

Summer may be coming to a close but it is still hot here in Texas so stop by the breezeway everyday at noon to pick up a refreshing water or a cold treat! Stay hydrated and remember to stay cool all summer!

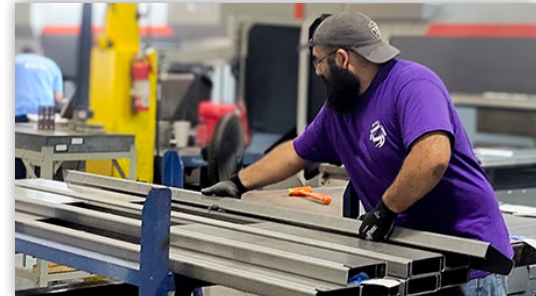

# New Signs to Show off our Bold Brand

Southern Folger is proud to show off its brand in a bold new way—with fresh, eye-catching signage! If you head out to the parking lot, you'll notice the brand-new signs that proudly represent who we are and the legacy we carry forward.

The updated wall display highlights the strength of our family of brands, featuring Folger Adam, Southern Steel, and RR Brink, while also recognizing our parent company, Coastal Detention Holdings. Each logo represents a piece of our history and the trusted reputation we've built in the detention equipment industry.

Front and center, you'll see the Southern Folger logo, standing tall as a reminder of our commitment to innovation, reliability, and excellence. More than just signs, this display is a visual celebration of our identity and the partnerships that make us who we are today.

Next time you're in the lot, take a moment to check it out—it's more than a wall, it's a reflection of our shared pride and the legacy we continue to build together.

## Southern Folger: Just One Click away!

Southern Folger is proud to announce the launch of our brand-new website this month! With a modern design and improved navigation, the site makes it easier than ever to explore who we are, what we do, and the products we provide.

Visitors will notice fresh updates across the site, including detailed product information, new photography, and video footage filmed right here on our campus. These updates highlight both our industry-leading solutions and the hard work our employees put in every day.

In addition, the new site features a dedicated news section where you can find stories like this newsletter, along with updates on projects, employee milestones, and company achievements. We're excited to share this next step forward and invite you to see Southern Folger in a whole new way.

## A Word From our President

Innovation & Continuous Improvement

At Southern Folger, innovation isn't just a department—it's part of who we are. Over the past months, we've made significant enhancements to our Lockshop, Jailshop, and Machine Shop, ensuring our teams have the tools, space, and technology to work more efficiently than ever.

These improvements are already paying off, allowing us to deliver products with even greater precision and consistency.

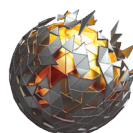

We've also invested in renovating our office building, creating a more modern and collaborative environment for our staff. The new company signage is just the beginning; more updates are to come. These updates reflect our commitment to continuous improvement, not just in what we produce, but in how we work together as a team.

Looking ahead, we're excited to share that a brand-new smart lock—Obsero— will be unveiled later this year. It represents a bold step forward in innovation, and we can't wait to show you what's next. Thank you all for embracing change and pushing us forward. Together, we're building a future where quality, innovation, and customer trust remain at the heart of everything we do.
