2025 Technical Training Class

Southern Folger offers in-depth training courses focused on **Southern Steel™**, **Folger Adam™**, and **RR Brink™** products. Designed for facility personnel, detention design engineers, architects, and consultants, these classes provide practical, technical insight—no prior experience with locks or keying systems is required.

Course topics:

- Electric Controls and keyes
- Locks and Hardware
- Locking Systems

Dates:

All dates are posted on the Southern Folger Website. Classes will take place Tuesday - Friday at 8:30 in the morning.

Accomidations:

Lunch is provided on training days, however, all other meals, lodging, and transportation are not included in the price. There are no motels/hotels within walking distance of our facility and a rental car or taxi service is required. The downtown area is about 10 minutes from our plant, and there are many hotels to choose from.
